ENROLLMENT REPORT

Introduction

The enrollment report consists of a record for each student who attended the institution during a term. The report will be submitted electronically. The format for naming files is as follows:

instYYYYZ.FLE

inst - institutional abbreviation
YYYY - year
Z - term

One or more records are generated for each student who attended the school during the three month period (term). If a student enrolls in more than one program in a term, then a separate record is required for each program. Record format and instructions for data elements follow this discussion. The basic definitions used in analyzing enrollments are listed below. Other definitions necessary for clarification are included with the description of the individual element.

The student information system report is due in the TBR office no later than 30 calendar days after the completion of the Fall and Spring terms, and no later than 15 calendar days after the summer term is completed. The due dates for the reporting terms are as follows:

Due Dates for Enrollment Report

Term 1, 2010 (Fall)	Due no later than January 31, 2011
Term 3, 2011 (Spring)	Due no later than May 30, 2011
Term 4, 2011 (Summer)	Due no later than September 15, 2011

Important Note

Effective with the 2007 Fall Term, the Student Status codes were inactivated and six new elements were established in the Student Information System. These six fields are described in the Guideline section of these instructions.

Definitions

Trimester: A trimester is a four month reporting period. The three trimesters are Fall, Spring and Summer.

Contact Hours: The number of student attendance hours during the term.

Full-time Student: An individual who, except for approved absences, was enrolled in class for 30 contact hours or more per week.

Example: A student who enrolls for 30 hours per week, attends for one week, then drops out should be classified as full-time.

Part-time Student: An individual enrolled for less than 30 contact hours per week.

Full-time equated (FTE) enrollment:

Term basis: Total number of contact hours for the term divided by 300.

Annual basis: Total number of contact hours for the year divided by 900.
